About Us

Audric is a French name that means “**Wise Ruler**”. As the name suggests, we aspire to be the global players in re-defining the consulting practice in this competition intensive market.

At Audric, we endeavor to serve our clients by providing **best-in-class** services ranging across **Information Technology, Human Resources and Business Research and Consulting services.**

Audric is the brain child of **first generation entrepreneurs** who have a passion for skill development, innovation and continuous learning.

We envision Audric being “**The One-Stop-Shop**” for a range of professional and consulting services across various domains and industry verticals.

Our motto is to be the “**The Trusted Business Advisor**” for every client that we serve.

The Audric Difference

- **Our Team** - We are a young, vibrant, aggressive team of first generation entrepreneurs with strong professional backgrounds - Business and Strategy Consulting, IT, Human Resources, Media, Advertising & PR
- **Our Expertise** - We have the experience of working with consulting giants like Accenture, Deloitte. We hold degrees of premier Technology and Management schools in India and abroad
- **Our Differentiator** - We fully understand the competitiveness of our business and the fast-paced environment we operate in and differentiate ourselves by providing our clients the same experience of working with consulting giants at a lower cost, customizing our services to their needs
- **Our Intent** - We believe more in collaboration than competition. If there are services our clients need that we cannot provide, we collaborate with our strategic partners who can provide these services and we make sure that our clients enjoy the same experience of working with us
- **Our Infrastructure** - Dedicated development centre at Hyderabad with adequate infrastructure and a conducive model for off shoring
- **Our Strength** - A strong advisory board consisting of senior management/CXO level executives from reputed global organizations
- **Our Values** - Above all, the value we place on ethics and integrity and our desire to gain credibility each time we serve our clients
